

# WINTER TREE IDENTIFICATION & WALK IN THE WOODS

Come out for a day of exploring the trees and shrubs of WV. Participants will get hands-on experience in identifying trees by bark, twig and bud attributes.

## TWO SESSIONS:

### JANUARY 15 AT KANAWHA STATE FOREST

Shelter 5, with fireplace, south of the campground

### JANUARY 22 AT WVU RESEARCH FOREST

Natural Resources Center, back patio with fireplace, north side of I-68, look for signs. Directions available upon request.

**10:30 AM – 2:30 PM**

Registration is free, no experience necessary, bring a friend!

Bring a lunch

Snacks & hot beverages provided

Wear footwear appropriate for the conditions, trails could be moderately steep.

Dress in layers to be comfortable both sitting and walking

There will be time to visit by the fire when we get started & we will have lunch at the shelter by the fire as well.
