

*Come join us to learn about tending your woodlands!*

# **WOMEN OWNING WOODLANDS (WOW) WEEKEND WORKSHOP**

At the beautiful  
[Watoga State Park & Calvin Price State Forest](#)  
in Pocahontas County  
April 29 – May 1

## **At this workshop you will:**

- Walk in the woods with other women woodland owners to identify common trees
- Explore ways to make a woodland more attractive to wildlife
- Learn about mapping your property boundaries
- Learn about resources available to help you nurture your land
- Discover forest ecology and the complexities of managing forests
- Find out how to enhance the value of your woodland for timber & non-timber products
- Take a trip to watch wildlife in their native habitats

The Women Owning Woodlands Weekend at Watoga registration is posted at:
