

Come join us to learn about tending your woodlands!

WOMEN OWNING WOODLANDS (WOW) WEEKEND WORKSHOP

At the beautiful
[Watoga State Park & Calvin Price State Forest](#)
in Pocahontas County
May 5 – May 7, 2023

At this workshop you will:

- Walk in the woods with other women woodland owners to identify common trees
- Explore ways to make a woodland more attractive to wildlife
- Learn about mapping your property boundaries
- Learn about resources available to help you nurture your land
- Discover forest ecology and the complexities of managing forests
- Find out how to enhance the value of your woodland for timber & non-timber products
- Take a trip to watch wildlife in their native habitats

The Women Owning Woodlands Weekend at Watoga registration will be posted at:
